The Committee
Federal parliamentary inquiry
House standing committee on social policy and legal affairs

I wish to add my voice to the thousands of Queenslanders affected by the outrageous rise in insurance costs for unit owners. My insurance levy for the next half year is [REDACTED] compared to [REDACTED] for the previous 6 months. Why are Queenslanders being punished in this way - has our state government failed us yet again? I am a retiree and find the huge price increase an absolute outrage - please add my name to the list of Queenslanders who will let the committee know of our concerns. How are we meant to budget if this sort of thing continues. There are 47 units in this complex and we have had very few, if any, insurance claims in the past 5 years that I am aware of. What exactly justifies such an increase? When will the hearing be held in Townsville?

Yours sincerely
Anne Pincott
