To the Committee Sec:  
I would like to  
the Committee:

House of Representatives Standing Committee on Family and Community Affairs	
Submission No: 895	8-8-03
Date Received: 8-8-03	
Secretary:	

A decision for maintenance was made in my favour for our one remaining boy. I had received our two children as I had custody of them.

The paying parent does, as mine has decided to stop work, live on her partners money, put home bank cards in joint names, have all monies left in estates settlement put in to joint names, it appears it cannot be touched.

I would like to see the law change to be able to access all joint account, plus account action to access the joint property or

accounts plus credit costs
