

List of recommendations

Recommendation 1)

- 5.63 When an Australian Government security agency committee is established at a particular airport, the Department of Transport and Regional Services should be responsible for establishing a memorandum of understanding between the Government security agency committee and the corresponding airport security committee.

Recommendation 2)

- 6.15 The requirement for airport security committees and other essential requirements for aviation security programs should be defined in the Aviation Transport Security Regulations 2004.

Recommendation 3)

- 6.33 The Department of Transport and Regional Services should set a performance standard for the return of expired aviation security identification cards (ASICs) for each card issuing body. If this standard is not met, the department should review the mechanisms for ASIC return in the issuing body's ASIC program and require change if considered necessary.

Recommendation 4)

- 7.41 The Department of Transport and Regional Services should require aviation participants to include in their transport security programs compulsory initial and ongoing security awareness training for airport security identification card holders who have not received security training as part of their normal duties.

Recommendation 5)

- 9.51 The Department of Transport and Regional Services should ensure that the security programs of aviation industry participants include educational instruments designed to promote an appropriate attitude to security and, through this, a robust security culture.
