To Whom It May Concern:

We wish to make it known that as a business owner, Employer, and Resident of Finley NSW; we are concerned about our future in the area.

We own two houses and a freehold business, if the MDBA plan goes ahead in its current form; we feel there would be a considerable devaluation in our Assets.

We have been considering further investment in this area, however consider it wouldn't be prudent at this time until this matter is finalized and we are able to see a viable future in this region.

Yours Faithfully
