To Whom it May Concern,

My name is Sara Andrews and I am a long term resident of South Hedland. I have lived here for 12yrs and have no plans to leave.

I fel that FIFO is the worst way to employ people. It causes so many problems in our town. I believe that FIFOs are making all the money here but not spennding a cent of it here. Our Drs, dentists and specialists see FIFOs and have less time to see the locals. They earn alot of money but never spend a cent of it here. I was at Port Haven the other night- they have a gym, rec room, mini golf, tennis courts, pub, movie theatre- why would they want to leave there? With so many people going on to FIFO how are we supposed to keep volly Ambos, Firefighters and sporting coaches? I know of a few families who have lived here for years and have now gone on to FIFO- there goes a heap of kids from the local schools. As the schools get smaller the Govt decides that they need less money and recources. I 100% disagree with FIFO!

Sara Andrews
