

**Parliamentary Joint Committee on Corporations and Financial Services**  
**Corporate Insolvency in Australia**  
**Attorney-General's Department**

**Hearing date:** 13 December 2022

**Question date:** 22 December 2022

**Deborah O'Neill asked the following question:**

1. What data does AGD collate with respect to personal bankruptcy? Does this get updated regularly?

**The response to the question is as follows:**

The Attorney-General's Department does not collate data with respect to personal insolvencies (bankruptcies).

The Australian Financial Security Authority (AFSA) collects and collates data arising from the administration of the *Bankruptcy Act 1966*, available on its website: [Statistics | Australian Financial Security Authority \(afsa.gov.au\)](#).

AFSA shares aggregated data and analysis with the department as part of its scheduled statistical publication releases, and on an ad-hoc basis as required to support policy development.
