**NSW Small Business Commissioner**

**Responses to Questions taken on Notice**

**Question**

**CHAIR:** How many languages do you provide information in?

**Mr Lamont:** I'd need to check, but it would be upwards of 30.

**CHAIR:** It would be helpful if you could give us the details of those on notice. Regarding access to information, what's the profile of the ones who actually do engage?

**ANSWER**

The Small Business Commission website utilises a translation mechanism which provides translation into 133 languages. We use Translating and Interpreting Service (TIS National) for telephone interpreting which provides access to over 150 languages.
