

# **Statute Stocktake (Appropriations) Bill (No. 1) 2012**

*Introduced into the House of Representatives on 20 June 2012*

*Portfolio: Finance and Deregulation*

## **Committee view**

1.2 While noting that this bill does not engage human rights the committee proposes to write to the Minister in an advisory capacity regarding the preparation of the statement of compatibility.

## **Purpose of the bill**

1.3 This bill repeals the following:

- 93 redundant Appropriations Acts from 1984 to 1999;
- 35 redundant Supply Acts from 1984 to 1997; and
- 3 Acts containing redundant special appropriations from the Treasury portfolio.
