Recommendation 1

2.63 The committee notes commitments made by the Australian and South Australian Governments to secure the sale of Arrium and recommends that this funding be deployed as a matter of urgency to assist with the sale process, in accordance with advice from the company administrators.

Recommendation 2

2.64 The committee notes that further government support may be required to secure the sale of Arrium, depending on the nature of the final offers, and recommends that governments work with bidders and the administrators to ensure that additional support is provided, as appropriate, to secure the sale of the company and the future of the Whyalla steelworks.

Recommendation 3

2.65 The committee recommends that additional policy and legislative reforms, particularly in the areas of anti-dumping and countervailing measures, government procurement, and standards, should be addressed in detail as part of the committee's deliberations and final report.
