

Recommendations

Recommendation 1

3.7 The committee recommends that the Bills be passed at the earliest possible opportunity.

Recommendation 2

3.16 The committee recommends that:

- **as suggested by CBFCA and ECA, the Australian Customs and Border Protection Service makes publicly available a table which refers to each of the specific provisions of Chapters 3 and 4 of KAFTA and which also identifies where those provisions have been adopted or are proposed to be adopted whether in the Bills, otherwise in legislation or regulations or by procedure; and**
- **more generally, the Commonwealth government ensure that the provisions of KAFTA have been properly accommodated in Australian law and practice.**
