Question:

Senator McALLISTER: I want to talk through the Enhanced Research and Evaluation in Indigenous Affairs measure on Budget Paper No. 2 at page 139.

...

Mr Sloan: It is a new program. To be clear, that table is at the end of April. The new program commenced with the budget—or commences next year; sorry.

Senator McALLISTER: It will have the \$2.6 million?

Mr Sloan: It will have \$2.6 million, and the money has been shaved off each program.

Senator McALLISTER: Okay. At what point will we be in a position to get an update on the table overall, which incorporates the education announcements and this budget announcement, which is not shown in this table?

Mr Tongue: I am happy to work to provide that to you as soon as possible.

Senator McALLISTER: I will place it on notice. If it were able to be provided earlier than the end point of the notice period, that would be much appreciated.

Mr Tongue: We will note that.
