2. For each Australian Government Department and/or government agency, can the Department of Finance please provide a breakdown of the percentage of Australian made copy paper purchased by the Department in the 2016-17 financial year to date, as well as the total percentage of Australian made copy paper purchased by the Australian Government in the 2016-17 financial year to date. **Answer:**

1. Please find at Attachment A an updated table in the same format as provided in F55 from the 2016-17 Supplementary Budget Estimates hearing of 18 October 2016 for the period 1 July 2015 to 30 June 2016. The total percentage (by volume) of Australian-made copy paper purchased by Australian Government entities listed in the attachment, for the period 1 July 2015 to 31 January 2016, was 62%.

2. Please find at Attachment B a table for the period 1 July 2016 to 31 January 2017. The total percentage (by volume) of Australian-made copy paper purchased by Australian Government entities listed in the attachment, for the period 1 July 2016 to 31 January 2017, was 63%.

Both attachments cover *Public Governance, Performance and Accountability Act 2013* (PGPA Act) non-corporate Commonwealth entities, as well as corporate Commonwealth entities that have opted into the Whole of Australian Government Stationery and Office Supplies (SOS) arrangement.

3. An updated version of the Commonwealth Procurement Rules commenced on 1 March 2017. The new rules apply to procurements above the relevant threshold, including the process to establish a panel arrangement. They don't apply to individual work orders issued under a panel, including those made under the SOS arrangement.

4. Finance has not met with the Anti-Dumping Commission (ADC) since 20 February 2017. The ADC's public record of the meeting is an accurate representation of the discussions held. Finance will take any actions required by the ADC in respect of paper purchases, noting that on 17 March 2017, the ADC issued two notices (Termination Report TER 341 and 2017/34) which advises the part termination of its investigation.
