**Topic:** Specialist Disability Accommodation

**Question reference number:** NDIA SQ22-000021

**Outcome Number:** 3

**Senator:** Jordon Steele-John

**Type of Question:** Written

**Date set by the Committee for the return of answer:** 25 March 2022

**Question:**

3. From 31 December 2019 to 31 December 2021, what is the value (mean, median, and range) of funding packages (Core, Capacity Building, Capital) being provided to participants receiving SDA funding (broken down by quarters, SDA Design Category, SDA Build Type including number of residents, age, disability group, and level of function)?

**Answer:**

The below tables show the committed supports of active participants as at 31 December 2021 in the breakdown requested. It should be noted that 10,936 out of 16,972 active participants with Specialist Disability Accommodation (SDA) supports were matched to SDA supply data, which contains data on design category, build type and maximum number of residents as at 31 December 2021. Therefore, the information requested is presented for the 10,936 where the information is known.

**Committed Supports of active participants with SDA supports as at 31 December 2021 (\$'000). Amounts are for the total plan, not just the SDA component.**
