

Senate Committee: Education and Employment

QUESTION ON NOTICE Budget Estimates 2018 - 2019

Outcome: Early Childhood and Child Care

Department of Education and Training Question No. SQ18-000452

Senator Jacinta Collins provided in writing

Services not transitioning to the Community Child Care Fund

Question

- Can the Department provide a list of the 135 services currently funded by the Budget Based Fund program that are not transitioning to the Community Child Care Fund?
- Can the list indicate what the alternative delivery or funding arrangements (eg - different Department of Social Services) for each service?
- How much funding is being provided to the 135 services by the Department of Education and Training?

Answer

- A list of all 244 Budget Based Funded (BBF) program services and their transition pathways from July 2018 is attached.
- Please note that there are only 109 BBF services not transitioning to the Community Child Care Fund (CCCF), rather than the 135 noted in Senator Collins question.
- 135 BBF services will receive funding under the CCCF.
- As at 27 July 2018, 16 BBF services have informed the Department of Education and Training that they have closed, identifying issues such as staff retention, declining demand, availability of alternate services and changes in service offering as the reason for closure. Another three services have identified alternative funding sources.
- The following table summarises the transition pathways of all BBF services as at 27 July 2018.

Designation	Number of service providers
Child Care Package with CCCF grant	135
Department of the Prime Minister and Cabinet	65
Department of Social Services	25
Services have closed or identified their own alternative funding	19
Total	244

- \$55.3 million over four years has been transferred from the Community Child Care Fund to the Department of the Prime Minister and Cabinet (PM&C) and the Department of Social Services (DSS) for the non-child care Budget Based Funded services that have transferred to these agencies from 2 July 2018.
