**AE25-352 - Immigration detention - adverse Security Assessment by ASIO**

Senator David Shoebridge asked:

How many people in detention have received an adverse security assessment issued by ASIO (broken down by length of detention)? How many have had their adverse assessment reviewed by the Independent Reviewer of Adverse Security Assessments?

*Answer:*

As at 31 December 2024, less than five detainees had received an adverse security assessment. For reasons of privacy, due to the small cohort size, the Department has not provided a breakdown of detainee numbers by length of detention.

There are zero people in immigration detention with an adverse security assessment who have had their adverse assessment reviewed by the Independent Reviewer of Adverse Security Assessments.
