Senator Richard Di Natale: asked the Department of Health on 26 October 2017—

What are the specific KPIs relating to patient health outcomes are attached to the trial?

Answer —

The evaluator, Health Policy Analysis, has developed an evaluation plan. The plan sets out the key evaluation questions, sub questions and measures that will be used to assess the impact of the Health Care Home model. Once finalised, this plan will be made available on the Department of Health's website.
