

Question on notice no. 602

Portfolio question number: ANU-13

2024-25 Budget estimates

Education and Employment Committee, Education Portfolio

Senator the Hon Sarah Henderson: asked the Australian National University on 24 June 2024—

What is the increased cost in security services incurred by the ANU since the encampments commenced?

- Please provide the amount spent for security support for each month of the encampment.

How many additional security guards were engaged for the monitoring of the encampment and increased safety?

Please advise the security company engaged to provide these services.

Answer —

Written	<p>7. What is the increased cost in security services incurred by the ANU since the encampments commenced? Please provide the amount spent for security support for each month of the encampment.</p> <p>a. How many additional security guards were engaged for the monitoring of the encampment and increased safety? Please advise the security company engaged to provide these services.</p>	<p>The encampment is located in a high-traffic area of the campus meaning security is required to ensure the safety of encampment participants and other users of the space. The cost for additional security services for the encampment to 1 July 2024 was \$435,405.95.</p> <p>a. Four additional security guards were engaged for the day shift (6am – 6pm) and four additional security guards were engaged for the night shift (6pm – 6am). The additional security guards were engaged through MSS Security.</p>
