**Notes:**

1. This information is provided by the Department of Home Affairs and was extracted from departmental systems on 07 February 2022. As data has been drawn from a dynamic system environment, the information is correct at the time of publication and figures may differ slightly from previous or future reporting.
2. Visas counted include subclass 200 (Refugee), 201 (In-Country Special Humanitarian Program), 202 (Global Special Humanitarian Program), 203 (Emergency Rescue), 204 (Woman at Risk) and 866 (Permanent Protection).
3. Cells with values of less than 5 are masked in accordance with Departmental data release protocols.
4. For the offshore component, the citizenship of principal visa applicants is applied to secondary visa applicants.
5. Country of residence refers to the country in which the applicant was residing during the processing of their application.
6. For the offshore component, the country of residence of principal visa applicants is applied to secondary visa applicants.
