2017

1. What is the budget for the 2017 cyber security strategy?
2. Has it received supplementary funding?
3. How much of the 2017 cyber security strategy budget has been spent?

Answer —

The Cyber Security Strategy is delivered by a number of different agencies within their portfolio budget allocations.

Agencies across Government were funded and have responsibility for the delivery of different elements of the Cyber Security Strategy. The detail of expenditure under the Cyber Security strategy is the responsibility of each agency.
