

Question on notice no. 120

Portfolio question number: 443

2017-18 Supplementary budget estimates

Rural and Regional Affairs and Transport Committee, Infrastructure and Regional Development Portfolio

Senator Nick Xenophon: asked the Civil Aviation Safety Authority on 27 October 2017—

Senator XENOPHON: So there's a question there: is the standard form recommendation incomplete? I asked you to take that on notice. If it is in some way incomplete or deficient, that may have some bearing on the decision-making process of CASA. It's a technical question, but could you take that on notice? **Mr Carmody:** I'll take it on notice, but if it's a current standard form recommendation, then, as I said before, that's why I'd like to review it. The standard form recommendation that I assume underpins the original decision probably has not changed. Anyway, I'll take it on notice and have a look at it.
