Topic: AIRSERVICES - Hobart Airport arrivals

Senator Jonathon Duniam asked:

Is there a projected rise in Hobart Airport arrivals? If so, has there been consideration to how that would affect the communities impacted and what are those considerations?

Answer:

The *Airports Act 1996* requires leased federal airports to prepare a Master Plan, which is a 20-year strategic vision for the airport that is renewed every 5 years. Airport master plans include passenger and aircraft forecasts and an overview of the consultation activities undertaken by the airport during the master planning process.
