**Senator Janet Rice:** asked the Airservices Australia on 22 February 2024—

?Please provide an updated list of the suburbs where complainants reside that have contacted the Airservices Noise Complaints and Information Service (NCIS) in relation to Brisbane Airport or Archerfield Airport over the period July 2020 to February 2024.

?What budget has been allocated to the resource the NCIS team in the last and in this financial year?

?What proportion of the budget and NCIS resources is going to deal with complaints from Greater Brisbane considering that the volume of complaints is greater than all other complains across the country combined?
