

Question on notice no. 44

Portfolio question number: SQ24-000044

2023-24 Additional estimates

**Rural and Regional Affairs and Transport Committee, Infrastructure,
Transport, Regional Development, Communications and the Arts Portfolio**

Senator Janet Rice: asked the Airservices Australia on 12 February 2024—

Senator RICE: You say that it's available, but could you take on notice getting the analysis of how much higher the planes actually were over particular communities?

Mr Curran: Yes. We can provide the quarterly reports that we've published as well as the full-length departure noise benefit trial from Perth from 2012.
