- 11 **MR M. D. FERGUSON:** To move—That this House:
- (1) recognises that many Australian couples want to offer their home to orphaned children from overseas countries and notes that in 2003-04 there were 370 inter-country placement adoptions in Australia;
- (2) understands that whilst adoptive couples are passionate to secure an overseas adoption, in general the main motivation is to give a secure and loving home to child in need;
- (3) affirms that state governments and the Federal Government have a duty to ensure that adoptive children are placed in responsible and loving homes;
- (4) recognises the enormous financial costs and emotional strain placed on adoptive couples in the course of applying for overseas adoption, receiving a child into their home, and the associated overseas travel;
- (5) urges the Australian Government to examine ways that it can better support families with children who have been adopted, whether through local or overseas adoptions; and
- (6) calls on the state governments to immediately review the excessive financial charges imposed on adoptive parents with a view to dramatically reducing them. (*Notice given 8 February 2005. Notice will be removed from the Notice Paper unless called on on any of the next 8 sitting Mondays after 14 February 2005.*)
