    - (b) cut greenhouse gas emissions from the transport sector which is a major source of Australian GHG output;

      - (iii) ensures that international observers participate at all levels of the election process to achieve a result that is acceptable to all parties;
  - (3) requests the Speaker to transmit this resolution to the outgoing President of Ukraine Leonid Kuchma, the Parliament of Ukraine and the Ukrainian Ambassador to Australia; and
  - (4) urges the Australian Government to make further representations to the above effect. (*Notice given 1 December 2004. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 20 June 2005.*)

  - (2) notes that in the United States these suits are known as 'Strategic Lawsuits Against Public Participation' or 'SLAPP' suits;
  - (3) notes that in many cases SLAPP suits have no real legal foundation, but their aim is to intimidate individual protesters into silence by the prospect of costly and time-consuming legal action;
  - (4) notes that common law action against protesters may take several different forms, including the torts of nuisance, unlawful interference in business, conspiracy to damage commercial interests and defamation, and that such torts are largely areas of State jurisdiction;
  - (5) notes that SLAPP suits could be discouraged if State Governments legislated to allow for the summary dismissal of unsoundly based SLAPP suits;

  - (8) encourages the Attorney-General to place this matter on the agenda of the Standing Committee of Attorneys-General; and

(*Notice given 10 May 2005. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 20 June 2005.*)

23 **MR M. J. FERGUSON**: To move—That this House:

- (1) notes:
  - (a) the important role played by the National Library of Australia in building a collection of digital publications so that all Australians can freely and easily access information online now and in the future—in effect, an Australian national digital library;
  - (b) that the National Library of Australia is collecting, preserving and providing public access to a selection of Australian publications that exist only on the Internet in digital form;

- (c) that the National Library of Australia is creating digital images of items in its Australian collection so that Australians outside Canberra can have access to Australia's documentary heritage over the Internet;
  - (d) that the National Library of Australia is collaborating with the Australian library sector in an attempt to provide all Australians with access to journals in digital form that are purchased from major Australian and overseas publishers; and
  - (e) the launch in December 2004 by the National Library of Australia of a major new service, Libraries Australia, which provides information about, and access to, 13 million resources held in Australia's libraries; and

- (a) considering the need for funding a national digital library (the governments of New Zealand and the United States have done this); and
  - (b) recognising the need for a whole-of-government approach to ensure that Commonwealth Government publications in digital form are reported to the National Library of Australia and permission is accorded to the National Library by government agencies for the collecting, provision of public access to and preservation of these publications. (*Notice given 10 May 2005. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 20 June 2005.*)

  - (b) the joint Commonwealth/State funded Supported Accommodation Assistance Program (SAAP) is an example of a vital service provided to the homeless and to those at risk of homelessness; and
- (3) calls on the Federal Government to:
  - (a) promote awareness of the issue of homelessness among the public;
  - (b) develop strategies aimed at preventing homelessness;
  - (c) work co-operatively with other levels of government to reduce homelessness;

**25 MR GEORGANAS:** To move—That this House:

- (1) notes that:
  - (a) since the abolition of the Commonwealth Dental Program waiting lists for dental services have increased by over 30 per cent;
  - (b) an increasing number of Australians are unable to afford private dental treatment and are waiting up to 5 years for dental care;
  - (c) older Australians, in particular, are at risk of poor health and a diminished quality of life as a result of long waiting lists and the lack of affordability of private dental services and private health insurance;
  - (d) the working poor, ineligible for health care cards and unable to afford private health insurance, are either postponing essential dental care, or risking high interest health credit products to access essential dental care to avoid further work absence;
  - (e) poor dental health can contribute to deterioration in overall health and can lead to premature admission to nursing homes or even death;
  - (f) oral health issues are often divorced from mainstream health issues even though there is a strong link between poor dental health and health problems such as diabetes, stroke, heart disease, endocarditis, and nutritional deficiencies;

- (g) the postponement of dental treatment has led to an increase in the demand for emergency dental care, exacerbating ongoing preventative treatments which provides greatest long term benefits to both the community and the Commonwealth budget; and
  - (h) early intervention is important for maintaining a healthy and quality lifestyle and reducing future burdens on the health system; and
- (2) calls on the Government to:
- (a) recognise Ben Chifley's vision when he amended the Constitution in 1946 to recognise dental treatment as a legitimate medical treatment;
  - (b) acknowledge that existing policies, as highlighted by the House of Representatives Inquiry into Long Term Strategies for Ageing Over the Next 40 years, "fall short of providing access to preventative dental care";
  - (c) reinstate a Commonwealth dental program, and adopt Labor's Australian Dental Care plan; and
  - (d) work cooperatively with the States and Territories to ensure that services are delivered to the most vulnerable in our community, including the elderly and the working poor. (*Notice given 12 May 2005. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 20 June 2005.*)

**26 MS A. E. BURKE:** To move—That this house:

- (1) notes that there has been an increased global trend for companies to relocate various parts of their operations to locations outside of the country where the service is being delivered - a practice often referred to as off-shoring;
- (2) notes that the practice of off-shoring has seen jobs and skills lost from the IT and finance sector in Australia and that Deloitte Research predicts that 15% of all financial sector jobs will be moved off-shore by 2008;
- (3) recognises that participating in the global economy may deliver lower costs for local consumers and companies, however it must be done in a transparent and equitable manner; and
- (4) calls on the Government to act now, before the flood of jobs offshore sees Australia losing out, by:
  - (a) ensuring privacy protection for consumers;
  - (b) providing consumers with a "right to know" so that service providers disclose the country of origin which provides their services, equivalent to country of origin product labelling;
  - (c) developing a national skills base that is suited to the changing needs of the economy;
  - (d) providing assistance in reskilling displaced workers; and
  - (e) ensuring employees of the country where the jobs are relocated are also protected by ILO Labour Standards. (*Notice given 12 May 2005. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 20 June 2005.*)

- (2) congratulates the newly formed Pelvic Instability Association for its work to raise awareness of this condition; and
- (3) urges the Government to:
  - (a) further promote awareness of pelvic instability in pregnant women;

  - (c) provide assistance to the Pelvic Instability Association in supporting women with this condition. (*Notice given 12 May 2005. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays after 20 June 2005.*)

- (3) notes that the Minister for Immigration and Multicultural and Indigenous Affairs has indicated her intention to reconsider the cases of East Timorese refugees previously refused protection visas; and
- (4) calls on the Minister to compassionately reconsider the applications of the remaining East Timorese refugees in Australia. (*Notice given 23 May 2005. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 20 June 2005.*)

29 **MR BAIRD:** To move—That this House:

- (1) notes with concern the Victorian *Racial and Religious Tolerance Act 2001* and:
  - (a) moves to introduce similar legislation into NSW;
  - (b) its effect of limiting freedom of speech, especially religious discussion, for fear of legal action;
  - (c) its creation of religious tension, where there was none before; and
  - (d) that it makes no distinction between ‘religion’ and ‘race’ when clearly one is a personal choice and the latter is inherited; and
- (2) affirms:
  - (a) the need to protect all people from vilification and to promote racial and religious tolerance;
  - (b) its commitment to Article 18 of the International Covenant on Civil and Political Rights and Article 18 of the Declaration of Human Rights; and
  - (c) that the Commonwealth *Racial Discrimination Act 1975* adequately meets Australia’s international obligations and that the Victorian model of racial and religious tolerance legislation is unnecessary. (*Notice given 23 May 2005. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 20 June 2005.*)

30 **MR GARRETT:** To move—That this House:

- (1) notes that:
  - (i) 26 May 2005 was National Day of Healing, and that this date commemorates the anniversary of the handing down of the *Bringing Them Home* report on 26 May 1997;
  - (ii) National Day of Healing offers an opportunity for all Australians to acknowledge and help heal the wounds of the many Indigenous people and their families who suffered as a result of the forced removal policies of successive Australian Governments between 1910 and the 1970s; and
  - (iii) National Day of Healing recognises that the journey of healing for the stolen generations depends on and contributes to healing within the wider Indigenous community and between Indigenous and non-Indigenous Australians; and
- (2) congratulates those who held events across the country aimed at enlisting the Australian community in this healing process;
- (3) recognises that a crucial aspect of healing is improving Indigenous health and that Australia could experience the dramatic improvements in Indigenous health which Canada, New Zealand and the United States have experienced in recent decades;
- (4) acknowledges the extra \$42.5 million per year over four years allocated by the Government for Indigenous health in the recent budget while noting that this is less than 10% of the \$450 million per year which the AMA and Access Economics estimate is needed to overcome the Indigenous health tragedy;
- (5) recognises that Australia’s Indigenous people, from 1 July, will be the only Indigenous people in the Western world without a representative body and that many Indigenous people see this as a humiliation and an attempt to silence their voice;
- (6) acknowledges that, despite the efforts of many individuals, communities and community organisations, Indigenous and non-Indigenous Australians remain far from reconciled; and
- (7) urges the Government to encourage the reconciliation process by:
  - (i) implementing the recommendations of the *Bringing Them Home* report;
  - (ii) establishing benchmarks for improvements in Indigenous health and providing funding adequate to meet these benchmarks; and
  - (iii) facilitating the development of a new Indigenous representative body. (*Notice given 23 May 2005. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 20 June 2005.*)

31 **MRS MAY:** To move—That this House:

- (1) recognises:
  - (a) that poverty and hunger remain the most important challenges facing the international community;
  - (b) that there are 2.2 billion children in the world and over 1 billion of these children (out of a world population of 6.4 billion) are severely malnourished;
  - (c) that impoverished children often grow up to be impoverished parents who in turn bring up their own children in poverty and that in order to break the generational cycle of poverty, poverty reduction must start with children;

- (9) Did the ABA General Manager in a public address to the Association of Christian Broadcasters in Manly in June 2004 (a) admit that the ABA had received several submissions in favour of the Rhema Sydney proposal in response to the ABA’s invitation and call for further public comment as to the future use of the 1386 AM frequency in Sydney and that it had also received some 284 letters of support, and (b) indicate that the ABA would be delivering its findings and response by the end of July 2004.
