 - (2) notes that between April and July 1994 up to one million Tutsi and moderate Hutus were killed at the hands of the militia;
 - (3) notes that in response, Australia deployed 657 ADF members to Rwanda in 1994 and 1995 as part of the United Nations Assistance Mission in Rwanda (UNAMIR);
 - (4) notes that the Australian contingent was largely a medical team whose key role was to provide medical care and health support for UNAMIR and, where possible, those injured by the massacres;

 - (6) acknowledges that these peacekeepers experienced the most horrible events such as the massacre of up to 8,000 men women and children at the Kibeyo refugee camp in April 1995;
 - (7) notes with concern that many of these troops are now suffering serious mental and physical disabilities as the result of their service;
 - (8) notes that despite the severe trauma and the danger faced by Australian Peacekeepers in Rwanda, their service is still not treated as warlike service under the Veterans' Entitlement Act; and
 - (9) calls on the Government to immediately reclassify this service from 'hazardous' to 'warlike' in recognition of the risk faced by these troops and the magnificent contribution they made to the protection of Rwandan citizens. (*Notice given 7 February 2006. Time allowed—30 minutes.*)

- (4) notes that the Aged Care Innovations Pool has provided a small start to addressing the problem; and

PRIVATE MEMBERS' BUSINESS—*continued***Notices given for Thursday, 9 February 2006**

*1 **MS A. E. BURKE:** To move—That this house:

- (1) notes that there has been an increased global trend for companies to relocate various parts of their operations to locations outside of the country where the service is being delivered—a practice often referred to as off-shoring;
- (2) notes that the practice of off-shoring has seen jobs and skills lost from the IT and finance sectors in Australia and that Deloitte Research predicts that 15% of all financial sector jobs will be moved off-shore by 2008;
- (3) recognises that participating in the global economy may deliver lower costs for local consumers and companies, however it must be done in a transparent and equitable manner; and
- (4) calls on the Government to act now, before the flood of jobs offshore sees Australia losing out, by:
 - (a) ensuring privacy protection for consumers;
 - (b) providing consumers with a 'right to know' so that service providers disclose the country of origin which provides their services, equivalent to country of origin product labelling;
 - (c) developing a national skills base that is suited to the changing needs of the economy;
 - (d) providing assistance in reskilling displaced workers; and
 - (e) ensuring employees of the country where the jobs are relocated are also protected by ILO Labour Standards. (*Notice given 8 February 2006.*)

*2 **MR HARTSUYKER:** To move—That this House:

- (1) notes:
 - (a) that the Pacific Highway is a State road designed, built, owned, and maintained by the New South Wales State Government;
 - (b) that there have been unacceptable delays and substantial cost over-runs in the upgrade of the Pacific Highway to dual carriageway standard from Hexham to the Queensland border;
 - (c) notwithstanding that the Pacific Highway is a state road, the Australian Government has made a substantial commitment to the upgrade under the Pacific Highway Reconstruction Program Agreement and Auslink;
 - (d) that there have been unacceptable delays to the commencement of work on by-passing population centres along the highway;
 - (e) tenders have been received for the construction of the Bonville Deviation and the State Minister for Roads, Mr Tripodi, plans to delay commencement of works until mid 2006; and
 - (f) the public consultation process has failed to achieve route outcomes which are acceptable to communities along the highway; and
- (2) calls on the New South Wales Labor Government to:
 - (a) exercise more stringent cost and project management control over the highway upgrade; and
 - (b) accelerate progress on this upgrade with a view to completing a dual carriageway between Hexham and the Queensland border by 2016. (*Notice given 8 February 2006.*)

*3 **MS HALL:** To move—That this House:

- (1) recognises that Commonwealth base funding for the Supported Accommodation Assistance Program in New South Wales remains static (apart from indexation) for the five year term of the agreement;
- (2) notes that the existing budget for the Supported Accommodation Assistance Program is not large compared to many other government programs with the allocation for NSW in 2005-2006 being \$111.2 million shared between the NSW and Commonwealth Governments;
- (3) calls on the Australian Government and this Parliament to allocate additional funding resources for New South Wales Supported Accommodation Assistance to ensure the sustainability of a program that is vital to the health and wellbeing of Australian community life;
- (4) recognises that the funding required is extremely modest at a time when the Commonwealth Budget is in record surplus; and

- (5) notes that as the homeless service system struggles to keep services operating on an ever diminishing funding pool, grave fears are held for the future for homeless people seeking assistance. (*Notice given 8 February 2006.*)

*4 **MS HALL:** To move—That this House condemns the Federal Government for:

- (1) failing to adequately fund healthcare in Australia;
- (2) its role in causing the current doctor and nurse shortage in Australia; and
- (3) failing to adequately address this shortage. (*Notice given 8 February 2006.*)

Notices—*continued*

1 **MR BOWEN:** To move—That this House:

- (1) notes that 5 July 2005 is the 60th anniversary of the death of John Curtin;
- (2) notes that Australia turned to John Curtin for leadership at the time of our greatest crisis in history and that he is widely regarded as the greatest Prime Minister Australia has had;
- (3) records that John Curtin warned that Australia needed to be better prepared for war and also determinedly argued that the first responsibility of Australian armed forces was the defence of Australia; and
- (4) calls on the Federal Government to mark the occasion of the 60th anniversary of Curtin's death with a decision to construct an appropriate Curtin memorial in Canberra. (*Notice given 30 May 2005. Notice will be removed from the Notice Paper unless called on on 13 February 2006.*)

2 **MR M. J. FERGUSON:** To move—That this House, in acknowledging the statement by Toni Morrison, winner of the 1993 Nobel Prize for Literature, that “access to knowledge is the superb, the supreme act of truly great civilisations” recognises:

- (1) that the public library is a profoundly important cultural, economic and sound institution;
- (2) that public libraries house a vast range of resources and contribute significantly to nurturing more resilient, active and confident communities;
- (3) that public libraries are well known, easily accessed and widely used; and
- (4) the responsibility of government to nurture the development of public libraries and to encourage libraries to forge stronger partnerships with community groups, government and business. (*Notice given 30 May 2005. Notice will be removed from the Notice Paper unless called on on 13 February 2006.*)

3 **MR BOWEN:** To move—That standing order 105 be omitted and the following standing order substituted:

If the Minister, after explanation in the House, has not submitted an answer within 3 sitting days the Speaker shall again inform the House and the Minister shall again be called to explain with such procedure continuing until a written answer is lodged with the Clerk. (*Notice given 31 May 2005. Notice will be removed from the Notice Paper unless called on on 13 February 2006.*)

4 **MR PRICE:** To move—That this House:

- (1) notes the valuable role that oxygenated biofuels can play in fuelling Australian passenger and commercial motor vehicles given that they offer the following benefits when blended at approved levels with conventional fuels:
 - (a) reducing the significant deaths and injury caused by fine particulate matter pollution from vehicle exhaust in our major cities;
 - (b) cut greenhouse gas emissions from the transport sector which is a major source of Australian GHG output;
 - (c) boost employment in rural and regional Australia where biofuels are grown and processed; and
 - (d) reduce our national dependence on imported petroleum products at a time when the trade deficit in this sector has reached record levels; and

 - (e) poor dental health can contribute to deterioration in overall health and can lead to premature admission to nursing homes or even death;
 - (f) oral health issues are often divorced from mainstream health issues even though there is a strong link between poor dental health and health problems such as diabetes, stroke, heart disease, endocarditis, and nutritional deficiencies;
 - (g) the postponement of dental treatment has led to an increase in the demand for emergency dental care, exacerbating ongoing preventative treatments which provides greatest long term benefits to both the community and the Commonwealth budget; and

 - (b) lead to the loss of jobs amongst the 30,000 assistants currently employed in community pharmacies;
 - (c) put at risk the 80 million free services provided by community pharmacies to the Australian community, many of whom cannot afford the cost of going to the doctor due to the decline in bulk billing, and
