Notices—continued

- 1 **MR M. J. FERGUSON:** To move—That this House recognise:
- (1) that 21 April 2006 marks the 150th anniversary of the eight hour day;
 - (2) the achievement of stonemasons and building workers who marched through the city of Melbourne 150 years ago, gathering supporters on the way to Parliament to demand work life balance;
 - (3) the rationale behind the eight hour day was to strengthen family and community by giving workers time for recreation, self-improvement and full participation in civil society; and
 - (4) that dividing work and family time remains the biggest challenge facing workers, with working parents finding it difficult to fit in picking up children from school, shopping, housework and childcare into their demanding lives. (*Notice given 27 February 2006. Notice will be removed from the Notice Paper unless called on on 16 October 2006.*)
- 2 **MS A. E. BURKE:** To move—That this House:
- (1) recognise the plight of the thousands of community-based asylum seekers in Australia who are denied income support, work rights and Medicare access as a result of the Government's unfair and inflexible immigration policy, making survival nearly impossible without the assistance of various church and charity groups;
 - (2) acknowledge that in many cases this breaches the Refugee Convention and the UN Convention on the Rights of the Child; and
 - (3) call on the Government to:
 - (a) abolish the 45 day rule, which prevents community-based asylum seekers who make visa applications outside that period from receiving any form of income or health benefits; and
 - (b) give all community-based asylum seekers in Australia work rights and access to Medicare. (*Notice given 28 February 2006. Notice will be removed from the Notice Paper unless called on on 16 October 2006.*)
- 3 **MS A. E. BURKE:** To move—That this House:

 - (a) develop a national strategy to combat sexual assault and rape;
 - (b) increase funding and resources to:
 - (i) assist victims of sexual assault and rape; and
 - (ii) educate the community about these crimes;
 - (c) make sexual assault education mandatory in Australian schools; and
 - (d) nationalise sexual assault laws—taking a ‘best practice’ approach—and create a central board to review these laws regularly. (*Notice given 28 February 2006. Notice will be removed from the Notice Paper unless called on on 16 October 2006.*)
- 4 **MS KING:** To move—That this House:
- (1) recognise that:
 - (a) across all conflicts, from the Boer War to the Korean War, some 35,000 Australians were held as Prisoners of War (POW);
 - (b) PoWs suffered unimaginable trauma with 8000 dying in captivity;
 - (c) many PoWs are now in their 80's and that due recognition needs to be urgently given to their experiences; and
 - (d) Australian Ex-PoWs have worked to compile the list of Australians held as prisoners during wartime and that their names now appear on a memorial in Ballarat; and

- (2) notes that a 2002 report by the National Research Centre for Environmental Toxicology found the method of providing drinking water to RAN ships in Vietnam made it likely that the drinking water provided to sailors was contaminated with dioxins in agent orange and herbicides and defoliants;
- (3) notes that the factors included in the Statement of Principles are for exposure to consumable potable water on RAN vessels in Vietnam when that water had been produced by evaporative distillation, must have an accumulated 30 days in Vietnam waters;
- (4) calls on the Government to:
 - (a) release the cancer incidence and mortality studies of Vietnam veterans; and

- (4) encourages state governments to increase their efforts in providing support for families whose children are missing a great deal of school time; and
- (5) considers the Commonwealth has a role to play in reducing school absences through arranging family support teams and, potentially in instances where parents absolutely refuse to cooperate in sending their children to school, through mutual obligation arrangements for government income support payments. (*Notice given 27 March 2006. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 16 October 2006.*)

8 MR WINDSOR: To move—That this House:

- (1) recognising the serious impact that increased fuel costs have had on Australian industries, families and individuals;
- (2) acknowledging the mounting evidence of the reality of global warming and its impact; and
- (3) noting that the introduction of renewable energy targets in 2001 by the current Government has been seen by industry as a step in the right direction, but one that is not accompanied by sufficient authority to guarantee enforcement;

calls on the Government to establish a Renewable Sustainable Energy Authority to advance the development of new energy sources and the development of existing energy sources for the future, and to equip the authority to:

 - (e) that this scandal has damaged Australia's national security interests, Australia's export interests, as well as Australia's international standing; and
- (2) calls on the Government to widen Commissioner Cole's terms of reference as a matter of urgency so that Commissioner Cole can make findings on whether Ministers discharged their responsibilities under Australian domestic and international law to enforce UN sanctions against Saddam Hussein's regime. - (5) notes that Denmark has regulated maximum levels of trans fats that can be contained in cooking oils;

- (3) recognises that these improvements have been achieved through culturally and religiously appropriate activities and has resulted in a reduction in the incidence of fistula, maternal and child mortality. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on 16 October 2006.*)

2 **PACIFIC HIGHWAY:** Resumption of debate (*from 27 February 2006*) on the motion of Mr Hartsuyker—That this House:

- (1) notes:
- (a) that the Pacific Highway is a State road designed, built, owned, and maintained by the New South Wales State Government;
 - (b) that there have been unacceptable delays and substantial cost over-runs in the upgrade of the Pacific Highway to dual carriageway standard from Hexham to the Queensland border;

 - (2) strongly condemns the beheadings of the three Christian girls, students in Poso, which it considers as an act of brutality, terror, and a serious abuse of human rights, in that the fundamental human rights are the rights to life and religious freedom, which are guaranteed under the Indonesian Constitution;
 - (3) welcomes steps by the Government of Indonesia to investigate the incident and its efforts to stop the climate of violence and to bring those responsible for this act of terror to justice; and
 - (4) conveys to the Government and people of Indonesia that the Australian Government remains committed to peace and reconciliation in Indonesia, and to enhancing mutual understanding and cooperation among peoples of Indonesia and Australia. 14 TAIWAN AND THE WORLD HEALTH ORGANISATION: Resumption of debate (*from 22 May 2006*) on the motion of Mr Bartlett—That this House:

- (1) recognises Taiwan's:
 - (a) world class health care system;
 - (b) strong commitment to improved international health standards and international health security; and
 - (c) proud record of medical assistance to developing countries;
- (2) notes that:
 - (a) as emphasised by Dr Jong-wook Lee, Director-General of the World Health Organisation (WHO), the experience of SARS in 2003, and the ongoing threat of Avian Influenza, show the imperative of an internationally coordinated approach to international health emergencies;
 - (b) in the same way that Taiwan's containment and management efforts during the SARS epidemic in 2003 were hampered by its inability to access the expertise of the WHO, its capacity to meet the challenges of a global Avian Influenza epidemic would be similarly constrained if it continues to be denied the right to participate in the operation of the WHO;
 - (c) the World Health Assembly's (WHA) Rules of Procedure formally allow for the participation of observers in the activities of the organisation, without reference to questions of sovereignty;
 - (d) the participation of observers in WHO activities is consistent with the principle of 'universal application', given expression in the WHO's constitutional mandate to "advance the health of all peoples";
 - (e) there are currently six semi-permanent WHA observers, including a sovereign state (the Holy See), a quasi-state (Palestine), a political entity (the Order of Malta), and three international organisations, and thus the granting to Taiwan of observer status should not be construed as a form of political recognition;
 - (f) private Members' bills in support of Taiwan's bid for observer status with the WHO were tabled in this House in both 2003 and 2004;
 - (g) support for Taiwan's previous bids has also come from many other governments, including the US Government, the EU, Japan and Canada at the May 2003 and 2004 Summits of the World Health Assembly in Geneva; and
 - (h) there is considerable public support for Taiwan's participation in the WHO from professional medical organisations; and
- (3) supports the participation of Taiwan in the WHA as an observer, given that such participation would allow Taiwan to more effectively contribute to international health coordination, and to better protect its 23 million people from possible trans-national health emergencies, including Avian Influenza. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 2 sitting Mondays after 16 October 2006.*)

- (2) acknowledges that a similar problem confronts those whose livelihood is threatened by government imposed changes in the use of forest resources;
- (3) acknowledges that compensation is being made in recognition of the loss of property rights caused by such policies;
- (4) recognises that any benefit such compensation confers will be substantially negated unless the government changes its stated policy of treating such compensation as income and taxing it accordingly; and
- (5) calls for the introduction and passage without delay of amendments to the Income Tax Assessment Act to correct this anomaly. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 3 sitting Mondays after 16 October 2006.*)

- 16 **AVOIDING DANGEROUS CLIMATE CHANGE (KYOTO PROTOCOL RATIFICATION) BILL 2006** (*Mr Albanese*): Second reading (*from 29 May 2006*). (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 3 sitting Mondays after 16 October 2006.*)

Jim Short, and their contribution towards improving relationships between the Turkish Cypriot and Greek Cypriot communities to bring about the reunification of the island of Cyprus;
 - (3) requests the Government of the Republic of Turkey, as it moves towards joining the European Union as a full member, to:
 - (a) return private property to minority groups of all religious backgrounds and to allow the freedoms of settlement and property throughout Cyprus;
 - (b) permit the re-opening of the Greek Orthodox Theological College on the island of Halke; and
 - (c) permit Christian denominations to operate seminaries of their own, whether Greek, Armenian or Syriac; and
 - (4) encourages all parties, including the Turkish Government and the Government of the Republic of Cyprus, to work together with the United Nations and the European Union to ensure a lasting solution in which all Cypriots enjoy the economic, political and security benefits of the EU in a united, democratic, just Cyprus. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 3 sitting Mondays after 16 October 2006.*)

- (1) notes the statement made on 20 March 2006 by the United Nations Special Rapporteur on Freedom of Religion or Belief expressing concern about the treatment of followers of the Baha'i faith in Iran;
 - (2) expresses its grave concern that instructions have been issued to collect information and monitor activities of members of the Baha'i faith in Iran;
 - (3) regards such action as an unacceptable interference with the rights of members of religious minorities;
 - (4) fears that such monitoring could be used as the basis for persecution and discrimination against members of the Baha'i faith; and
 - (5) urges the Government to pursue these concerns with our Embassy and with representatives of the Iranian Government. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 3 sitting Mondays after 16 October 2006.*)
- 20 **UNITED NATIONS AND DARFUR**: Resumption of debate (*from 29 May 2006—Mr L. D. T. Ferguson, in continuation*) on the motion of Mr Baird—That this House:

- (1) notes the growing public outrage at the majority decision of this parliament on March 30th to dispose of the Commonwealth shareholding in Snowy Hydro;
 - (2) notes legal advice suggesting the parliamentary motion to sell Snowy Hydro is constitutionally inadequate in the absence of specific legislation passed by parliament;
 - (3) recognises that the Murray Darling Association is gravely concerned that there are no guarantees that licensed irrigators will be protected in the future and that power generation will take precedent over water supplies;
 - (4) notes proposals to cap shareholdings by any one group either temporarily or permanently cannot be protected in legislation from future change;
 - (5) notes the remaining 72 years of existing licence agreement conditions will not be., included in any sale agreement;
 - (6) notes in its February 2005 submission to the National Competition Council relating to the application of Lakes R Us to undertake water storage and release services, Snowy Hydro stated: "To allow the release of water to be subject to the arbitrary decisions of private individuals-would be contrary to the public interest of protecting the environment";
 - (7) notes the crucial role the Snowy Scheme plays in alternative energy, environmental management and water supply strategies that don't necessarily coincide with the exploitation of these resources for private gain; and
 - (8) appalled that this motion and debate is about to be gagged, calls on the Australian Government to give notice it will rescind the March 30 motion approving the sale of its Snowy Hydro shareholding in the public interest and use its corporations powers under s51 (xx) of the Constitution to prevent the sale of any shares in Snowy Hydro Pty Ltd pending a full and independently chaired public inquiry to be conducted into the actual capital requirements of Snowy Hydro, the 46 operational agreements between the three current shareholders and the impact of the proposed sale on all relevant parties (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 3 sitting Mondays after 16 October 2006.*)

- (1) recalls and records the solemn commitment given by the Prime Minister to Alan Jones on Radio 2GB on 4 August 2005 that "I mean some people are going to have to work public holidays...it would be absurd and unfair and unreasonable if somebody has to work on a public holiday that that person isn't compensated by being paid whatever it is, the double time or the time and a half...those arrangements are going to continue...";
 - (2) notes that appropriate compensation includes things like penalty rates and public holiday leave loadings;
