* Notifications to which an asterisk (*) is prefixed appear for the first time

† Debate to be adjourned to a future day at the conclusion of the time allotted.

- (4) the Bill does not include sufficient protections for the freedom of doctors to make clinical decisions about the treatment/s that will be in the best interests of their patients in relation to services provided under the rubric of Broader Health Cover; and

- (3) recognises, when considering the key issues faced by grandparents raising children:
 - (a) the need for relevant, current and accessible information as soon as children arrive as resources developed by community organisations rapidly become out-of-date as such organisations often lack funding for ongoing updates and reprints;

 - (c) the need for access to affordable legal services and support;
 - (d) that parenting over the age of 55 has significant health impacts, exacerbated when grandparents are faced with the unexpected physical and emotional toll of caring for children who are often struggling themselves as a result of the circumstances they have come from;
 - (e) the significant contribution grandparents make to the social capital of their community and our nation, the isolation and, sometimes, the stigma felt by grandparents and grandchildren in these circumstances and the relative scarcity of natural peer support and community linkages available to grandparents caring for children; and
 - (f) the need for further research to identify the extent of grandparent families, particularly indigenous grandparent families; and
