6 **MS A. L. ELLIS:** To move—That the House:

- (1) notes:
  - (a) the growing incidence of, and pressures on, grandparents being called on to resume the role of parenting of grandchildren, resulting from family tragedies, family breakdown, or the devastating impacts of drug or alcohol abuse;
  - (b) the tremendous role that many community organisations and support services play in highlighting these issues, seeking funding support for services; and
  - (c) the fundamental role grandparents are playing in holding many family units together and their struggle to provide a safe, secure and supportive environment for their grandchildren;
- (2) acknowledges:
  - (a) the support currently provided by government departments and agencies;
  - (b) the contribution of peak organisations around Australia, including research and reports developed by such bodies as Families Australia (*Grandparenting: Present and Future*, January 2007) and in the ACT, the Canberra Mothercraft Society Inc (*Grandparents Parenting Children because of Alcohol and other Drugs*, 2006); and
  - (c) that these organisations are doing a great service to families in these circumstances by their calls to achieve substantive improvements in quality of life for grandparents and the children in their care by advocating for legislative recognition of these particular family units and their unique situations;

- (3) recognises, when considering the key issues faced by grandparents raising children:
  - (a) the need for relevant, current and accessible information as soon as children arrive as resources developed by community organisations rapidly become out-of-date as such organisations often lack funding for ongoing updates and reprints;
  - (b) the potential for significant financial hardship and compromise when grandparents take on parenting of grandchildren, including the often limited financial resources of grandparents and the hardship and challenges they face in making a suitable home and supporting children's needs;
  - (c) the need for access to affordable legal services and support;
  - (d) that parenting over the age of 55 has significant health impacts, exacerbated when grandparents are faced with the unexpected physical and emotional toll of caring for children who are often struggling themselves as a result of the circumstances they have come from;

- (7) calls on the Government to seek further departmental improvements in response to these issues, including consideration of peak body representations in the areas of:

  - (b) consideration of financial implications;
  - (c) legal complexities and costs;
  - (d) health impacts on grandparents and children;

  - (a) taking full responsibility for the maintenance and upkeep of the land and structures, both existing and in future;

- 17 **HOMELESSNESS AND THE SUPPORTED ACCOMMODATION ASSISTANCE PROGRAM:** Resumption of debate (*from 12 February 2007*) on the motion of Ms George—That the House:
- (1) notes that:
    - (a) on nearly any night there are around 100,000 Australians who are homeless and that nearly half of these people are under 25, with young people aged 12-18 making up a quarter of all those who are homeless; and
    - (b) the Supported Accommodation Assistance Program (SAAP) is often the last resort for people who find themselves without, or at risk of being without, safe, secure or adequate housing;
  - (2) expresses concern at the recent findings of the Australian Institute of Health and Welfare (AIHW), which show that:
    - (a) SAAP is able to accommodate 12,335 people on an average day;
    - (b) SAAP is unable to accommodate all who request immediate accommodation, with an estimated 304 people (193 adults and unaccompanied children and 111 accompanying children) turned away on an average day;
    - (c) over half (56 per cent) of the people making valid requests for immediate accommodation on any given day were turned away;
    - (d) family groups had more difficulty in obtaining SAAP than individuals; and
    - (e) a large proportion of the homeless population do not receive SAAP accommodation; and
  - (3) urges the Government to:

- (a) recognise the immense pressure under which SAAP funded services are operating, with reduced real funding levels under the current agreement;
  - (b) provide additional funding to meet unmet demand; and
  - (c) develop strategies and work co-operatively with other levels of government to reduce homelessness. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 4 sitting Mondays after 18 June 2007.*)
- 18 **AUSTRALIAN AID PROGRAM:** Resumption of debate (*from 12 February 2007—Ms Plibersek, in continuation*) on the motion of Mrs Hull—That the House:
- (1) supports the Australian aid program’s focus on eradication of poverty and corruption in developing countries;
  - (2) supports the Australian aid program’s efforts to overcome the impact of poverty and corruption and to strengthen democratic institutions by promotion of good governance with specific reference to women and children in developing countries;
  - (3) calls on the Parliament to encourage the Australian aid program to promote the human rights of, and the elimination of discrimination against, women and children in developing countries, in activities that:
    - (a) support the elimination of gender-based discrimination—such as land, inheritance and property rights, family law, gender-based violence and discrimination in employment; and
    - (b) support equitable access (including legal representation) for women and children to the legal system. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 4 sitting Mondays after 18 June 2007.*)
- 19 **DAVID HICKS:** Resumption of debate (*from 12 February 2007*) on the motion of Ms Vamvakinou—That the House:
- (1) acknowledges that the ongoing detention without trial of David Hicks is inconsistent with both international and Australian legal standards (including the principle of *habeas corpus*) and contravenes the individual rights and protections for which these standards provide;
  - (2) acknowledges that the newly revised rules for the US Military Commissions under which David Hicks is to be tried, but under which no US citizen can or will be tried, remain in breach of both the Geneva Conventions and the Australian Criminal Code and for this reason, do not constitute a fair trial but instead set an unacceptable precedent for the detention and trial of an Australian citizen overseas, especially by sanctioning the use of hearsay evidence and evidence obtained by coercion and by not permitting the accused to be privy to all the evidence;
  - (3) notes that one of the charges laid against David Hicks relies on the use of retrospective legislation, while the Government asserts that he cannot be tried in Australia because it would require retrospective legislation;
  - (4) calls for the immediate repatriation of David Hicks to Australia to face trial under Australian law;
  - (5) urges members of the United States Congress to help facilitate David Hicks’ repatriation to Australia by passing a resolution in Congress to this effect;
  - (6) calls on the Government to release advice provided by the Commonwealth Director of Public Prosecutions concerning the viability of charging David Hicks in Australia;
  - (7) acknowledges that we in this place have a responsibility to monitor and protect the welfare and rights of Australian citizens imprisoned overseas; and for this reason:
  - (8) calls for an immediate and independent assessment of the mental and physical health of David Hicks by relevant experts to ascertain the validity of allegations made concerning the deteriorating well being of David Hicks;
  - (9) seeks concrete assurances that any such assessment will not jeopardise or in any way prejudice the treatment of David Hicks whilst he is in Guantanamo Bay; and
  - (10) acknowledges that the ongoing imprisonment of David Hicks, and the denial of his basic rights, runs counter to the principles of freedom and democracy in the name of which the ‘war against terror’ is being fought, and threatens to undermine the international effort to combat terrorism. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 4 sitting Mondays after 18 June 2007.*)

  - (2) also acknowledges that the Australian Government has allocated to Queensland authorities over \$3 billion in funding under AusLink Round 1 and \$18 billion through other road related programs since 1996;
  - (3) expresses its concern for the lack of commitment by Queensland authorities in progressing the work financed by the Australian Government and the redirection of funds away from the authorised projects;
  - (4) further expresses its concern at the unreliable project costing provided by the Queensland Government for infrastructure projects and the failure of the Queensland Government to follow the example of other State governments to value-add to the Commonwealth contribution to national highway projects with state contributions; and

    - (d) Australia has now experienced 60 consecutive monthly trade deficits—the longest period of trade deficit on record;
    - (e) the Government has failed to double the number of exporters by 2006, as it said it would; and
    - (f) at the same time, the Government has halved the level of financial assistance to Australian exporters; and
  - (2) calls on the Government to urgently adopt a comprehensive trade strategy to address the underperformance of Australia's exports. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 7 sitting Mondays after 18 June 2007.*)

  - (4) notes that green roof spaces allow food to be grown through hydroponic, aquaculture, aquaponics, vermiculture and insect culture, providing additional revenues for building owners and tenants; and
  - (5) encourages businesses and local authorities to seek the triple bottom line from environmental practices, as exemplified by the Ford Rouge Center in Dearborn, Michigan, USA.     - (b) at the Microcredit Summit in Halifax, Canada in 2006, Australia endorsed the goal of having 175 million families receiving microcredit by 2015;
    - (c) if the Microcredit Summit goal were achieved, then about half the first goal of the Millennium Development Goals, which is to halve the number of people who live on less than a dollar a day, would be met;

- (a) 26 May marks the tenth anniversary of the *Bringing Them Home* report, which documented the systematic removal of up to 100,000 indigenous children from their families between 1910 and the 1970s, and its serious, and ongoing impact;
- (b) the Howard Government’s decision not to apologise for this systematic removal has compounded the distress of survivors and held us all back from achieving genuine reconciliation;
- (c) research subsequent to the report has shown that indigenous children who were removed:
- (i) were more likely to have been victims of family violence (38 per cent compared to the figure of 23 per cent for the broader indigenous population);
- (ii) were 2.3 times more likely to experience clinical depression and behavioural difficulties;
- (iii) had double the rate of both alcohol and other drug use than other indigenous children; and
- (iv) were more likely to end up in jail; and
- (d) a recent Urbis Keys Young report commissioned by the Government described the Government’s response to date as “poorly coordinated and insufficiently targeted” and also

revealed that some Bringing Them Home and Link-Up counsellors are struggling to cope with up to more than 80 clients each, compared with the average caseload of 25 for a mental health worker in mainstream services; and

- (2) calls on the Government to:
  - (a) apologise for past policies and practices that resulted in the systematic and forced removal of indigenous children from their families; and
  - (b) immediately implement measures to address the continuing adverse social, physical and mental health outcomes impacting on the Stolen Generation and subsequent generations. - (3) also recognise that researchers at the University of Queensland have calculated that the death and injury from road accidents costs the national economy some \$17 billion a year, or the equivalent of 2.3 per cent of Australia's gross national income; and
- (4) commend the Government for extending the AusLink Black Spot program, which has already eliminated some 700 dangerous crash sites in Queensland alone, for a further two years, from 2006-07 to 2007-08, at a cost of \$90 million.
