RULINGS—

By Mr. Speaker—

That the motion (*Mr. McGrath*) that in the opinion of this House, the remarks made by the hon. Member for Angas respecting the alleged improper influence used in the House by Australian manufacturers are unwarranted and without justification—did not disclose a question of Privilege, 471.

By Mr. Deputy-Speaker—

That leave of the House for a Member to continue his speech must be granted without any dissentient voice, 571.

By the Chairman—

Amendment (addition to Clause in Power Alcohol Bounty Bill) was not in order as it would alter the destination of the Vote, 100.

Electoral Bill (1927)—Amendment to provide for payment of overtime to Divisional Returning Officers was within the scope of the Bill and in order: a recommendation from the Governor-General was not required as no appropriation was necessary, 580.

Estimates 1927–28—First Item and amendment thereon—The Closure having been carried he was compelled, under the Standing Orders, to put the First Item without further debate or amendment, 433.

Motion (*Mr. Scullin*) to dissent from ruling; debated; closure applied; negatived (on division), 433.

Ways and Means (Customs and Excise Tariff Amendment)—That an amendment by a private member upon a proposed amendment by the Minister imposing a duty on a date earlier than that indicated in the Minister's amendment was out of order as it would involve the imposition of a duty sooner than required by the Government and would therefore produce an additional sum from customs duties, 481.

Motion (*Mr. Scullin*) to dissent from ruling; negatived (on division), 481.

By the Temporary Chairman—

Amendments—An amendment to a Bill increasing the Appropriation was not in order, 283 (2).

Motion to dissent from ruling was out of order as dissent not moved forthwith, 560.

Wine Export Bounty Bill (1928)—Amendment to alter year 1928 to 1929 (thereby extending the proposed period for payment of bounty) was out of order as amendment was not covered by the terms of the Governor-General's recommendation, 560.
