RULINGS—

By Mr. Speaker—

That until a Motion had been seconded it was not in possession of the House, and the Closure could not be moved until the question had been proposed from the Chair, 18.

That while a Member must not reflect upon a member of the judiciary, the House had the right to criticize any judgment, 18.

That Standing Order No. 322 allowed any Member to move, at any time, that a Paper which has been laid upon the Table be printed—the point of order having been raised as to whether a private Member could move for the printing of a Paper laid upon the Table by a Minister, 17.

That one-third of the whole of the Members must be inside the Bar of the House to form a quorum; no cognizance could be taken of the fact that some Members were within the precincts of the House, but outside the Chamber, 114.

That the practice was not to again count the House until a reasonable interval of time had elapsed after the previous count and not to allow a succession of calls for a quorum to obstruct business, 114.

By the Chairman—

Wine Grapes Charges Bill—That a proposed amendment to add a proviso to a sub-clause was out of order on the ground that once a Resolution of the Committee of Ways and Means has been reported to and adopted by the House, no variation of that Resolution can be made by the Committee of the Whole in the Bill founded upon such Resolution, 59.
