Social Services Contribution Bill 1949—Second reading—House had suspended Standing Orders to enable remaining stages to be passed without delay and had ordered Bill to be brought in to give effect to Resolution. In circumstances, amendment to defer second reading for week was not in order, 238.

By Mr. Deputy Speaker—

Commonwealth Conciliation and Arbitration Bill 1949—Second reading—Proposed amendment not in order as outside terms of specific proposals set forth in long Title; dissent from Ruling (*Mr. Menzies*), 358. Dissent moved, debated and negatived (on division), 386.

Dissent (*Mr. Spender*) from Ruling in answer to question of order raised by Acting Leader of Opposition, 45. *Lapsed and withdrawn*, 235.

In respect of proposed motion, that it is breach of Privilege that Leader of Country Party should be interrogated or sought to be interrogated by Security Police at instigation of Prime Minister and Government in precincts of Parliament and in his official room in respect of matters arising out of discharge of his public duties in National Parliament, no claim of breach of Privilege could be sustained and prima facie case had not been made out which would justify matter taking precedence over other business; dissent from Ruling (*Mr. Harrison*), 67. Dissent moved, debated and negatived (on division) (after closure—on division), 82-3.

Member making personal explanation not entitled to move motion calling for document quoted from by Minister, 45.

Practice of House regarding "Urgency" motions—Statement by Deputy Speaker, 249.

Rulings—*continued.*

By Mr. Deputy Speaker—*continued.*

Proposed "Urgency" motion—urgent necessity of securing full co-operation of medical, dental, pharmaceutical, nursing professions, State and hospital organizations, and voluntary sickness benefit associations with Government to ensure successful satisfactory national health service—not in order as subject already debated during current session when amendment moved to second reading of National Health Service Bill, 245—

Proposal that motion should read :—Urgent necessity of implementing immediately a successful satisfactory national health scheme—not acceptable for reason previously stated, 245—

Amended proposed motion—urgent necessity of discussing regulations under National Health Service Act—out of order for same reason, 245—

Dissent from Ruling (*Mr. Anthony*), 245. Dissent moved, debated and negatived (on division) (after closure—on division), 385-6.

By Mr. Acting Deputy Speaker—

Want of Confidence in Mr. Deputy Speaker—Motion—Amendment to omit all words after "That" and insert "this House declares its determination to uphold the dignity and authority of the Chair, &c., &c." not a direct negative, 381.

By Deputy Chairman—

Wheat Industry Stabilization Bill 1948—Proposed amendment out of order on ground it would create contingent liability on Consolidated Revenue, 122 (2).

By Temporary Chairman—

Commonwealth Aid Roads and Works Bill 1948—As clause had been amended, it would not be in order to move that it be postponed, 202.

Party Whip was permitted to leave Chamber to secure attendance of Members, 259. Dissent from Ruling (*Mr. Holt*); negatived (on division), 259-60.

Question of Privilege cannot be raised in Committee, 425.
