THE PARLIAMENT OF THE COMMONWEALTH OF AUSTRALIA.

VOTES AND PROCEEDINGS

OF THE

HOUSE OF REPRESENTATIVES.

No. 69.

THURSDAY, 28th MARCH, 1963.

- 1. The House met, at half-past ten o'clock a.m., pursuant to adjournment.—Mr. Speaker (the Honorable Sir John McLeay) took the Chair, and read Prayers.
- 2. Petitions.—Petitions from certain electors of New South Wales praying that the Government take urgent and immediate action to (1) grant an increase in the pension and allowances of age, invalid and widow pensioners, and (2) allocate additional finance for the building of low rental houses and units for pensioners and elderly people were presented by Mr. Whitlam, Mr. Daly, Mr. Armitage, Mr. Monaghan, Mr. Costa, Mr. Stewart, Mr. Einfeld, Mr. Uren, Mr. O'Connor, Mr. Curtin, Mr. Ward, Mr. Dean, Mr. Kearney, Mr. England, Mr. James, Mr. Bate and Mr. Failes.
 - Petitions severally received.

 Mr. Uren also presented a Petition from certain electors of the Commonwealth praying that the Government (1) support the United Nations resolution for a Nuclear Test Ban Treaty, (2) ensure that foreign bases are not permitted on Australian soil and (3) in response to the call of the United Nations, declare Australia's willingness to enter into an agreement not to manufacture, test, station or acquire nuclear weapons.

Petition received and read.

- 3. QUESTIONS.—Questions without notice were answered.
- 4. Papers.—The following Papers were presented, by command of His Excellency the Governor-General—

Christmas Island—Report for year 1961-62.

Cocos (Keeling) Islands—Report for year 1961-62.

Treaties—Texts of—

- (1) Declaration of 12th November, 1959, on the Provisional Accession of Tunisia to the General Agreement on Tariffs and Trade, together with the Process Verbal of 9th December, 1961 extending the Declaration.
- (2) Protocol of 9th May, 1962, establishing a Preparatory Group with a view to the creation of a European Organization for the Development and Construction of Space Vehicle Launchers, together with an Agreement supplementary thereto.
- (3) War Graves Agreement between Indonesia and the Commonwealth Countries, signed 10th September, 1962.
- (4) Exchange of Notes dated 11th September and 30th October, 1962, between Australia and the United States of America, constituting an agreement to extend the operation of the Agreement of 9th May, 1961, relating to Upper Atmosphere Sampling.
- (5) Exchange of Notes dated 29th September, 1962, between Australia and the Netherlands, constituting an Agreement to extend the Assisted Migration Agreement of 1st August, 1956.

- (6) Agreements (3) between Australia, the Federation of Malaya and the State of Singapore concerning the exchange of postal parcels and money orders between Malaya and Singapore and Christmas Island, signed 16th October, 1962.
- (7) Procès Verbal of 7th November, 1962 extending the Declaration of 18th November, 1960, on the Provisional Accession of Argentina to the General Agreement on Tariffs and Trade.
- (8) International Coffee Agreement, dated 28th September, 1962.
- (9) Exchange of Notes dated 26th November, 1962, between Australia and the Federation of Malaya, constituting an Agreement concerning the reciprocal exchange of planting material between the Federation and the Territory of Papua and New Guinea.
- (10) Agreement between Australia and the Federation of Rhodesia and Nyasaland concerning the mutual exchange of money orders, signed 6th December, 1962.
- (11) Exchange of Notes dated 9th January, 1963 and 11th February, 1963, between Australia and the United States of America constituting an Agreement for the amendment of the Agreement of 26th February, 1960, relating to Space Vehicle Tracking and Communications.
- (12) Agreement between Australia and India with respect to the Mutual Protection of Priority of Patents for Inventions, signed 23rd January, 1963.
- (13) Exchange of Notes dated 24th January, 1963, between Australia and the United Kingdom, constituting an Agreement for the amendment of the Schedule of the Air Services Agreement of 7th February, 1958.

The following Papers were presented, pursuant to Statute-

Lands Acquisition Act—Land acquired for Civil Aviation purposes—Longreach, Queensland. Seat of Government (Administration) Act—Ordinance—1963—No. 1—Poisons and Dangerous Drugs.

5. DISCUSSION OF MATTER OF URGENCY—POLITICAL CENSORSHIP.—Mr. Speaker informed the House that Mr. A. D. Fraser had proposed that a definite matter of urgent public importance be submitted to the House for discussion, namely, "This Government's exercise of political censorship as in the ban on the Bidault television interview".

The proposed discussion having received the necessary support-

Mr. Fraser addressed the House.

Discussion ensued.

Discussion concluded.

- 6. GENERAL BUSINESS.—It being past fifteen minutes to one o'clock p.m., General Business was not called on.
- 7. Australian National University Bill 1963.—Sir Robert Menzies (Prime Minister) moved, pursuant to notice, That he have leave to bring in a Bill for an Act relating to the Australian National University. Question—put and passed.

Bill brought up, and read a first time.

Sir Robert Menzies moved, by leave, That the Bill be now read a second time.

Debate adjourned (Mr. Beazley), and the resumption of the debate made an Order of the Day for the next sitting.

8. Copyright Bill 1963.—Sir Garfield Barwick (Attorney-General) moved, pursuant to notice, That he have leave to bring in a Bill for an Act to amend the Copyright Act 1912–1950.

Question—put and passed.
Bill brought up, and read a first time.

Sir Garfield Barwick moved, by leave, That the Bill be now read a second time.

Debate adjourned (Mr. Whitlam), and the resumption of the debate made an Order of the Day for the next sitting.

Service and Execution of Process Bill 1963.—Sir Garfield Barwick (Attorney-General) moved, pursuant
to notice, That he have leave to bring in a Bill for an Act to amend the Service and Execution of Process
Act 1901-1958.

Question—put and passed.

Bill brought up, and read a first time.

Sir Garfield Barwick moved, by leave, That the Bill be now read a second time.

Debate adjourned (Mr. Whitlam), and the resumption of the debate made an Order of the Day for the next sitting.

10. WOOL TAX ASSESSMENT BILL 1963.—Mr. Adermann (Minister for Primary Industry) moved, pursuant to notice, That he have leave to bring in a Bill for an Act to amend section thirteen of the Wool Tax Assessment Act 1936-1962.

Question—put and passed.

Bill brought up, and read a first time.

Mr. Adermann moved, by leave, That the Bill be now read a second time.

Debate adjourned (Mr. Whitlam), and the resumption of the debate made an Order of the Day for the next sitting.

श्केष्टिहेडू द

28th March, 1963.

11. Ways and Means—Wool Tax.—The House, according to Order, resolved itself into the Committee of Ways and Means.

(In the Committee.)

Mr. Adermann (Minister for Primary Industry) moved-

- 1. That, notwithstanding section seven of the Wool Tax Act (No. 1) 1957-1962 and any regulations made under that section, the rates set out in the Third Schedule to that Act be deemed to have been and be the rates prescribed for the purposes of paragraph (a) of sub-section (1.) of section six of that Act in relation to—
 - (a) wool received by a wool-broker (not being wool previously received by a wool-broker or dealer) on or after the twenty-eighth day of August, One thousand nine hundred and sixty-one, and before the first day of July, One thousand nine hundred and sixtyfour, other than wool that—
 - (i) is received after the thirty-first day of March, One thousand nine hundred and sixty-four; and
 - (ii) is not sold by the wool-broker before the first day of July, One thousand nine hundred and sixty-four; and
 - (b) wool received by a dealer (not being wool previously received by a wool-broker or dealer) on or after the twenty-eighth day of August, One thousand nine hundred and sixty-one, and before the first day of July, One thousand nine hundred and sixty-four.
- 2. That, notwithstanding section seven of the Wool Tax Act (No. 2) 1957-1962 and any regulations made under that section, the rates set out in the Third Schedule to that Act be deemed to have been and be the rates prescribed for the purposes of paragraph (a) of sub-section (1.) of section six of that Act in respect of wool to which that Act applies exported from Australia on or after the twenty-eighth day of August, One thousand nine hundred and sixty-one, and before the first day of July, One thousand nine hundred and sixty-four.

Question-put and passed.

Resolution to be reported, and leave asked to sit again.

The House resumed; Mr. Lucock reported accordingly.

Ordered—That the House will, at a later hour this day, again resolve itself into the said Committee.

Mr. Adermann moved, pursuant to contingent notice, That so much of the Standing Orders be suspended as would prevent the remaining stages being passed without delay.

Question-put and passed.

On the motion of Mr. Adermann, the Resolution reported from the Committee was adopted by the House. Ordered—That Mr. Adermann and Mr. Cramer do prepare and bring in Bills to carry out the foregoing Resolution.

12. Wool Tax Bill (No. 1) 1963.—Mr. Adermann (Minister for Primary Industry) then brought up a Bill intituled A Bill for an Act relating to the Tax imposed by the "Wool Tax Act (No. 1) 1957-1962". Bill read a first time.

Mr. Adermann moved, That the Bill be now read a second time.

Debate adjourned (Mr. Whitlam), and the resumption of the debate made an Order of the Day for the next sitting.

13. Wool Tax Bill (No. 2) 1963.—Mr. Adermann (Minister for Primary Industry) also brought up a Bill intituled A Bill for an Act relating to the Tax imposed by the "Wool Tax Act (No. 2) 1957-1962". Bill read a first time.

Mr. Adermann moved, That the Bill be now read a second time.

Debate adjourned (Mr. Whitlam), and the resumption of the debate made an Order of the Day for the next sitting.

14. Ways and Means—Customs Tariff Amendments (Nos. 58 to 71), Customs Tariff (Canada Preference) Amendments (Nos. 6 to 8) and Customs Tariff (New Zealand Preference) Amendments (Nos. 12 and 13).—The House, according to Order, again resolved itself into the Committee of Ways and Means.

(In the Committee.)

Mr. Fairhall (Minister representing the Minister for Customs and Excise) moved-

CUSTOMS TARIFF AMENDMENT (No. 58).

1. That the Schedule to the *Customs Tariff* 1933–1962, as proposed to be amended by Customs Tariff Proposals, be further amended as set out in the Schedule to these Proposals, and that the amendments operate, and be deemed to have operated, on and after the twenty-first day of December, One thousand nine hundred and sixty-two, and that Duties of Customs be collected accordingly.

2. That in these Proposals, "Customs Tariff Proposals" mean the Customs Tariff Proposals introduced into the House of Representatives on the following dates:—

15th November, 1962; 29th November, 1962; and

6th December, 1962.

(c) T-bed surfacing and boring surfacing and screw cutting without tall stocks, including surfacing and screw cutting without tall stocks, including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with stocks in planting and the stock in the stock including automatic or semi-automatic machines with stocks in planting and the stock in the stock including automatic or semi-automatic machines with stocks including automatic or semi-automatic machines with form and cut; bending automatic or semi-automatic machines with form and cut; bending automatic or semi-automatic machines with form and cut; bending automatic or semi-automatic machines with form and cut; bending are displayed in the seminal formatic machines with for				
ing 28 inches; slotting, with stroke not exceeding 2 inches ad val. (3) Other — ad val. (3) Lathes and chucking machines and utransport of the covered by paragraph (4)—(b) and the covered by paragraph (5)—(c) Capstan, with heights of centres above bed not exceeding 20 inches — ad val. (b) Brake drum, with capacity not exceeding 26 inches diameter of drums — ad val. (c) T-bed surfacing and boring surfacing and screw cutting (or chasing) type, with or without tail stocks, including any modifications from such basic lathes, but not including any modifications from such basic lathes, but not including straightening or semi-automatic machines — ad val. (b) Other — ad val. (c) Forging hammering riveting bending straightening pressing or drawing machines, not covered by sub-time (c) (2)—(a) Riveting, non-pneumatic—(b) Riveting, non-pneumatic—(c) Riveting, non-pneumatic—(d) Riveting, non-pneumatic—(e) Riveting, non-pneumatic—(f) Riveting, non-pneumatic—(h) Riveting, non	tool, not covered by sub-item (B)—			
(b) Other - ad val. (c) The state and chucking machines and turning machines, with horizontal beds, not covered by paragraph (c)— (d) Cabove bed not exceeding 10 inches - ad val. (e) The distribution of the control o				
(b) Other			1	
(3) Lathes and chucking machines and turning machines, with horizontal beds, above bed not exceeding 10 inches — a val. (b) Brake drum, with capaday to exceeding 26 inches diameter exceeding 26 inches diameter exceeding 26 inches diameter exceeding 26 inches diameter exceeding 26 inches diameter exceeding 26 inches diameter exceeding surfacing and screw cutting (or chasing) type, with or without tail stocks, including any modifications from such basic lathes, but not including automatic or semi-automatic machines — ad val. (c) Spinning lathes— (d) Heights of centres above bed not exceeding 20 inches a val. (d) Forging hammering riveting bending straightening pressing or drawing machines, not covered by sub-item (c) (2)— (a) Riveting, penumatic— (b) Riveting, non-pneumatic— (c) Riveting, non-pneumatic— (l) Other — ad val. (c) Presses, forming, including such machines which form and cut; bending curying straightening pression of working printing blocks plates or cylinders—ad val. (c) Presses, forming, including such machines which form and cut; bending curying straightening grooving edging or working printing blocks plates or cylinders—ad val. (c) Other — ad val. (d) Other — ad val. (e) Other — ad val. (f) Other — ad val. (g) Guillotine shears; cutting presses (g) Silting, designed for cutting or trimming mild steel not exceeding 10 gauge (B.G.) in thickness of action of the proper particular propersions of the propersion of trimming mild steel not exceeding 10 gauge (B.G.) in thickness of action of the propersion of trimming mild steel not exceeding 10 gauge (B.G.) in thickness of action of the propersion of the propersion of the propersion of the propersion of the prope	ad val.			
ing machines, with heights of centres above bed not exceeding 10 inches — a dival. (b) Brake drum, with capacity not exceeding 20 inches diameter of drums — a dival. (c) T-bed surfacing and screw cutting surfacing and screw cutting (or chasing) type, with or without tail stocks, including any modifications from such basic lathes, but not including automatic or semi-automatic machines — a dival. (c) Other — a dival. (d) Other — a dival. (e) Other — a dival. (f) Other — a dival. (g) Other — a dival. (g) Other — a dival. (g) Forging hammering riveting bending straightening pressing or drawing machines, not covered by sub-item (c) (2)— (a) Riveting, pneumatic— (1) Single shot or rotary spinning, stroke not exceeding 2 inches and val. (b) Riveting, non-pneumatic— (1) Rotary spinning, stroke not exceeding 2 inches and val. (c) Presses, forge, including teleprotecting growing edging or seaming machines for working sheet metal (irrespective of gauge); drop forging hammering cipally for preparing or working printing growing edging or seaming machines, not covered by principally for preparing or working printing sheet metal (irrespective of gauge); drop forging hammering machines, not covered by paragraph (5)— (a) Go Utiling shearing slitting or nibbling machines, not covered by paragraph (5)— (a) Go Utiling shearing slitting or nibbling machines, not covered by paragraph (5)— (b) Slitting, designed for cutting or trimming mild steel not exceeding 60 inches in any direction,	(b) Other ad val.	Free	7½ per cent.	7½ per cent.
(a) Capstan, with heights of centres above bed not exceeding 10 inches of exceeding 26 inches darneter exceeding 26 inches darneter exceeding 26 inches darneter exceeding 26 inches darneter exceeding 26 inches darneter exceeding 26 inches darneter exceeding 26 inches darneter exceeding 26 inches darneter exceeding 26 inches darneter exceeding 26 inches darneter exceeding 27 per cent. (a) General purpose, of the sliding surfacing and screw cutting (or chasing) type, with or without tail stocks, including any modifications from such basic lathes, but not including automatic (c) Other - ad val. (b) Other - ad val. (c) Forging hammering riveting bending straightening pressing or drawing machines, not covered by sub-item (c) (2)— (a) Riveting, ponemantic— (b) Riveting, non-pneumatic— (c) Riveting, non-pneumatic— (d) Riveting, non-pneumatic— (e) Presses, forming, including such machines which form and cut; bending curying straightening growing edging or exceeding 2 and exceeding 2 inches and val. (c) Presses, forming, including such machines which form and cut; bending curying straightening growing edging or working printing blocks plates or cycles of gauge); drop forging hammers other than hydraulic, not exceeding 40 cwt. capacity— (1) Designed solely or principally for preparing or working printing blocks plates or cycles from and cut; bending curying straightening growing edging or seventing stearing slitting or nibbling machines, not covered by paragraph (c) Guillotine shears; cutting presses (a) Guillotine shears; cutting presses (b) Slitting, designed for cutting or trimming mild steel not exceeding 60 inches in any direction, whether or not also capable of flanging the	ing machines, with horizontal beds, not			
above bed not exceeding 10 inches a val. (b) Brake drum, with capacity not exceeding 25 inches diameter of drums - a d val. (c) T-bed surfacing and boring surfacing and sorew cutting (or chassing) type, with or any modifications from such basic lathes, but not inchding automatic or semi-automatic machines and val. (c) Other - a d val. (d) Spinning lathes— (a) Heights of centres above bed not exceeding 20 inches - ad val. (b) Other - a dval. (c) Tresses, proming in circles and val.
