DIGEST OF BILL

Purpose
To give the Australian Industry Development Corporation (AIDC) an option as to whether to use a Commonwealth guarantee when raising funds.

Background
All fund raising by the AIDC is currently subject to a Commonwealth guarantee. The Commonwealth Guarantees (Charges) Bill 1986 proposes to apply a levy on enterprises that use a guarantee. As a result, it has been seen as appropriate to give the AIDC an option to use the guarantee and pay the levy or to rely on market rates.

Main Provisions
Clause 3 will amend section 35 of the Australian Industry Development Corporation Act 1970 (the Principal Act) to give the Chief Executive the option of using a Commonwealth guarantee in respect of borrowings or other fund raisings.

Such determinations may be made to take effect from 8 October 1986 (proposed sub-section 35(3)).
