

## This week at a glance

### 14 to 17 August 2006

On the first day of each sitting week the Senate Daily Summary provides an overview of the business scheduled for consideration in the Senate that week. On subsequent days, SDS provides a convenient summary of the previous day's proceedings in the Senate, with links to official Senate records.

Another document which is useful in tracking the Business of the Senate is the [Dynamic Red](#), which records proceedings in the Senate as they happen each day.
