11 **EMPLOYMENT AND WORKPLACE RELATIONS LEGISLATION AMENDMENT (WELFARE TO WORK AND OTHER MEASURES) BILL 2005**

**FAMILY AND COMMUNITY SERVICES LEGISLATION AMENDMENT (WELFARE TO WORK) BILL 2005**

Order of the day read for the adjourned debate on the motion of the Special Minister of State (Senator Abetz)—That these bills be now read a second time.

Debate resumed.

Senator Wong moved the following amendment in respect of the Employment and Workplace Relations Legislation Amendment (Welfare to Work and Other Measures) Bill 2005:

At the end of the motion, add “but the Senate condemns the Government for:

(a) failing to allow the Parliament and the Australian people proper scrutiny of the bill;

(b) ignoring the concerns raised in the Senate’s inquiry into this bill;

(c) after nine long years, failing to implement real welfare reform that tackles the reason someone is not working and delivers practical solutions;
(d) simply dumping people from one welfare payment to a lower welfare payment;
(e) making extreme cuts to the household budgets of vulnerable Australian families;
(f) decreasing the rewards for moving from welfare to work, to the extent that people may actually end up poorer from work than they would have been on welfare;
(g) failing to provide any modelling to support their case for putting people on a lower welfare payment to help them gain work;
(h) failing its own test of welfare reform by failing to address the growing number of people on welfare;
(i) failing to provide adequate assistance for people moving from welfare to work, particularly for making insufficient investment in vocational education and training;
(j) failing to guarantee in legislation that welfare recipients can meet their Newstart obligations by improving their job skills through training, and restricting access to the Pensioner Education Supplement;
(k) implementing an unduly punitive compliance system;
(l) failing to provide that parents can legitimately decline a job where the costs of child care would wipe out their income or worse; and
(m) providing insufficient protections for vulnerable Australians in legislation, and relying too much on guidelines”.

Debate ensued.
