PLEASE NOTE... I had made contact with Electoral Roll in Vic. & ACT. in plenty of time for Last Nov. Elections. I DID receive response from Ms. Clancy verifying, NOT on electoral..."This WAS most saddening!"

I HAVE participated at most times, particularly in last decade, in a firsthand way, to ALL voting issues, whether Home or Abroad. I have basically resided overseas for nearing four decades, travelling Home consistently, Always keeping My Strong ties, Imputing Much to the Australian Economy, including Property ownership, desiring soon to be more Australian Based, than presently possible. I stay Very Much abreast of current affairs within, intending "sound ambassadorship".. I am married to an American, retired now. I acquired Travel Certification/Lic'g, with much travel experience/knowledge, intend developing AUST./USA , specialist travel pursuits. I TRULY WISH THERE WAS A BETTER SYSTEM IN PLACE , IN THIS TECHNOLOGICAL AGE.....surely it must be possible Sincerely, W.D.

Easton
