

SUBMISSION No. 145

Hi,

I completed the cyber bullying quiz and thought I'd send an email with some idea to help reduce the amount of cyber bullying. Police enforcement is really needed.

I had an issue, which turned really bad and when I contacted police, I was told to grow up and that they can't do anything about it. How is that going to help the youth that are receiving death threats, and police will do nothing to help and put it done to "teenage drama"?

I suggest getting a better police force who actually do their job, instead of ignoring laws.

Thanks,

Lisa
