Supplement to the Submission to the Standing Committee on Regional Development RE: Impact of
MDB Plan

Supplement:

Correction and clarification:

Quoted twice in the document,
Re: Wimmera Mallee Pipeline Project, 17 G/L not the 17,000 G/L stated below.

Stated

had only required 17,000 G/L

used 17,000 G/L of water

Correction

had only required 17 G/L

used 17G/L of water

Thank you

David May
