The Standing Committee on Regional Communities

Dear Chairperson,

In the second paragraph of the NSWCFCA submission on The Impact of the proposed MDBA's Guide to the proposed Basin Plan on Regional Communities which was emailed in the last two hours there is an error. The third line "NSW Department of Primary Industry's" should read MDBA's. Please accept my sincere apology for this and would appreciate if the correction could be made.

Sincerely
Rodney Tonkin, President, NSWCFCA
