Dear Sirs,

It is with very little real hope of this committee doing anything constructive to reform this corrupt bastard system of law, that I have been persuaded to write to you. Because I do not believe that you will do anything, I will keep this submission as short as possible.

My case [REDACTED] started in that hotbed of corruption, [REDACTED]

Since that time the following have happened to me and my son:

1. A complete disregard of any and all court orders by my ex wife. Not one order of court has been enforced either.
2. I have been kidnapped and held [REDACTED] by my ex wife and some of her criminal associates. No charges have ever been laid because of the corrupt activities of certain NSW police officers.
3. About 85% of joint property was, in my view, illegally given to my ex wife.
4. My relationship with my son has been deliberately destroyed by this corrupt fucking abortion called the Family court.
5. I have been raided by Federal police for genuine letters of complaint to that corrupt bastard chief justice.
6. I have deliberately cost the Federal authorities hundreds of thousands of dollars in extra costs. This is a deliberate tactic that will continue for the rest of my life as a protest at my treatment.

If you get the feeling that I am rather pissed off, also consider that this man will never remarry given the state of this fucking system of law and will never have another child in Australia. Also consider that prior to the September 11 attacks in America, the previous worst terrorist attack in that country was perpetrated by a home grown American boy. It is amazing to me that the same type of activity has not happened in this country and it is indeed this jurisdiction that in my view deliberately creates the types of situations that would provide the incentive.

Having said all of the foregoing, I hold the Commonwealth of Australia directly responsible for the deliberate destruction of my relationship with my son, via that corrupt [REDACTED] abortion called the Family Court and will work for the rest of my life to destroy it.

Yours Faithfully,

[REDACTED]
