

Submission No. 6

To: Committee, JCPAA (REPS)
Subject: ASIC / Photographic Pilot Licence ID.

My submission is as follows;

The security check for the ASIC is the same as for the Photo ID pilot licence. One for a 5 year validity, one for 2.

Notwithstanding the obvious cost in time effort and money, I would submit that each document be an equal for a two year period when hopefully sanity will prevail such that a common denominator be discovered that the ASIC be a dual document.

Bob Murphie.
