The Parliament of the
Commonwealth of Australia

THE SENATE

Treasury Laws Amendment (News Media and Digital Platforms Mandatory Bargaining Code) Bill 2021

(Second reading amendment to be moved by Senator McKim, on behalf of the Australian Greens)

At the end of the motion, add: “, but the Senate is of the opinion that:

- (a) Australians should have more control over how companies collect data about them online, who has access to that data, and how, and for what purposes, that data is used;
- (b) concerns over privacy, and the use of personal data for commercial gain, can no longer be ignored by the Government; and
- (c) the Government must implement, as a matter of priority, protections equivalent to the European Union’s General Data Protection Regulation”.
