

**HOUSE OF REPRESENTATIVES STANDING COMMITTEE ON ECONOMICS**

**REVIEW OF THE FOUR MAJOR BANKS (FOURTH REPORT)**

**Commonwealth Bank of Australia**

**CBA30QON:** What was this split 5, 10 and 15 years ago?

**Answer:** We do not retain sufficient data to enable a reliable comparison of that metric for those years.

However we can confirm that in FY2013 the split was 83 per cent fixed remuneration and 17 per cent short term variable remuneration.
