

HOUSE OF REPRESENTATIVES STANDING COMMITTEE ON ECONOMICS

REVIEW OF THE FOUR MAJOR BANKS (FOURTH REPORT)

Commonwealth Bank of Australia

CBA32QON: Can you provide the trend for this over 5 and 10 years? Is it going down or up?

Answer: We do not have sufficient data to allow for a reliable comparison over ten years. However, over the last seven years the ratio has fluctuated between 12.02 and 16.35.
