

Senator Waters

Motion by leave

That the Senate—

- (a) notes that:
 - (i) on Monday 1 September 2025, the Minister for Industry and Innovation undertook to confirm to the Senate whether the leaking storage tank at the Darwin LNG plant would receive gas from the Barossa gas project that will soon commence operations; and
 - (ii) the Minister has not provided this information to the Senate; and
- (b) calls on the Minister to provide this information to the Senate immediately.
