THE PARLIAMENTARY CALENDAR

Parliament

A Parliament commences upon the first sitting day following a general election and concludes either at dissolution or at the expiration of three years from the first meeting of the House – whichever occurs first.

Session

A session commences upon the first sitting day following a general election or prorogation and concludes either by prorogation (the formal ending of a session), dissolution or at the expiration of three years from the first meeting of the House.

Sitting period

Sitting periods occur within a session. The sittings of the House in each calendar year are divided into three distinct periods: the Autumn sittings, from January/February to March; the Winter (or Budget) sittings, from May to June/July; and the Spring sittings, from August to November/December.

Sitting

A sitting commences as set down by the standing or sessional orders, or in accordance with a resolution of the House at a previous sitting, and concludes with the adjournment of the same sitting. The same sitting may extend over more than one day.
