### *Parliament*

A Parliament commences upon the first sitting day following a general election and concludes either at dissolution or at the expiration of three years from the first meeting of the House – whichever occurs first.

A session commences upon the first sitting day following a general election or prorogation and concludes either by prorogation (the formal ending of a session), dissolution or at the expiration of three years from the first meeting of the House.

### *Sitting period*

Sitting periods occur within a session. The sittings of the House in each calendar year are divided into three distinct periods: the Autumn sittings, from January/February to March; the Winter (or Budget) sittings, from May to June/July; and the Spring sittings, from August to November/December.

### *Sitting*
