**Senator Siewert** asked:

How much of the \$8.1m allocated to land tenure has been expended by the relevant jurisdictions and for what specific purpose in each of the 29 communities. What outcomes have been achieved?

**Answer:**

Expenditure against this component is included in the 2010-11 statements of expenditure which are currently being finalised as part of the COAG process. These statements will be considered by COAG later this year. Under the National Partnership Agreement, this component is the primary responsibility of the State and Northern Territory Governments. The Parties have reported on progress with this component in the Annual Reports to COAG.
