Senator Scullion asked:

Could you provide the scope of works and the schedules within each package of each house showing it is having a rebuild or refurbishment?

Answer:

The scope of works documents form part of the commercial arrangements between the Northern Territory (NT) Government and the Alliances. Mr Finn Pratt wrote to Mr Ken Davies, the NT Chief Executive Officer of the Department of Housing, Local Government and Regional Services, on 5 April 2012, asking that he give consideration to whether that material can be released to the Senate Community Affairs Committee. The Department will update the Committee once it has received a response from the NT Government.
